Revise the processes that have developed as a result of the sun or environmental damage. RP is industry proven way of dealing with sun damage, premature aging, loose sagging & wrinkled skin. the RP Series Of Treatments include: Arm/Hands RP

Leg RP	Décolletage RP	
Back RP	Face RP	Stretch Mark RP

## Musculoskeletal InfraSauna (Thermadome)

We recommend having a thermadome prior to your facial therapy for most beneficial results

30min Session - \$50	40min Session - \$65
50min Session - \$75	60min Session - \$90

*A \$10 Discount applies if you supply your own towels (Note: 2 Large Beach Towels + 1 Hand Towel is required)*

## DMK Transdermal Nutrition Treatments (TNT)

DMK Skin Nutrition Treatments are a range of spa style relaxation facials which utilise the unique DMK Transepidermal Delivery System to get active ingredients to the target area. They are designed for clients who are looking to be pampered, rather than an intensive solution to serious skin conditions.

90mins - \$195    60mins - \$130    30mins - \$85

Desensitising TNT	Acne Purification TNT
Biogen C Collagen TNT	Firming TNT
Epitoxyl TNT	Pigment Regulating TNT

## Therma-facial (Collagen Induction)

Exclusive to Body Bliss "Better Than Radio Frequency" The treatment begins with a relaxing half hour laying in our Metabolic Beauty and Anti-aging Thermadome, known to reduce stress, improve sleep, increase energy, detox cellulite, detox skin, boost collagen, metabolism, and weight loss. The facial is then experienced whilst the temp of our Thermadome is set at 30-35 degrees enhancing the effects of the facial.

90mins - \$175

Add A Microdermabrasion for just \$50

Add LED Light Therapy for just \$50

Add the DMK Muscle Banding for just \$99

## *Reveal Your Brilliance*
