

PRICE LIST

PARAMEDICAL FACE AND BODY

Paramedical Skin Procedures

These elite skin corrective procedures are for those who want lasting results. Specific treatments are available for:

Pigmentation	Open Pores	Rosacea	Acne
Fragile Capillaries	Sagging Skin	Blackheads	Milia
Premature Aging	Sun Damage	Wrinkles	Scarring

DMK Transdermal Nutrition Treatments (TNT)

DMK skin nutrition treatments are a range of spa-style relaxation facials that utilise the unique DMK transepidermal delivery system to get active ingredients to the target area. They are designed for clients who are looking to be pampered, rather than an intensive solution to serious skin conditions.

90 mins - \$200 60 mins - \$150 30 mins - \$90

Remodelling Procedure Revision - From \$999 Revise the processes that have developed as a result of the sun or environmental damage. RP is industry proven way of dealing with sun damage, premature aging, loose sagging and wrinkled skin. The RP series of treatments includes:

Arm/hands RP	Leg RP	Décolletage RP
Back RP	Face RP	Stretch mark RP

Musculoskeletal InfraSauna (Thermadome)

We recommend having a thermadome prior to your facial therapy for most beneficial results.

30 min session	\$60	40 min session	\$80
50 min session	\$100	60 min session	\$120

A \$10 discount applies if you supply your own towels (Note: 2 large beach towels + 1 hand towel is required)

Therma-facial (Collagen Induction)

Exclusive to Body Bliss "Better Than Radio Frequency"

The treatment begins with a relaxing half-hour laying in our metabolic beauty and anti-aging Thermadome, known to reduce stress, improve sleep, increase energy, detox cellulite, detox skin, boost collagen and metabolism, and assist with weight loss. The facial is then experienced whilst the temperature of our Thermadome is set at 30-35°C, enhancing the effects of the facial.

Therma-facial (90 mins) - **\$199**

Add a Microdermabrasion for just **\$50**

Add LED Light Therapy for just **\$50**

Add the DMK Muscle Banding for just **\$99**
