## HYBRID TINTING

Hybrid tinting is a combination of tint, dye and henna. It 'stains' the skin more effectively than regular tinting and sets to a powder-like matte finish that lasts 2-4 weeks depending on your skin type. This treatment is vegan friendly and all natural. Many clients comment that it reduces the need to fill in the brows and adds definition where hairs are sparse or non-existent.

Brow or lash hybrid (15 mins)	<b>\$30</b>	Brow sculpt and hybrid brow tint (30mins)	<b>\$68</b>
Brow sculpt, hybrid lash and brow tint (30 mins)	<b>\$96</b>		

## LASH LIFT / PERM

Lash lift is a semi-permanent treatment that gives your natural lashes the illusion of perfectly curled lashes with added definition. It is a great alternative to eyelash extensions, as it requires very little maintenance and has long lasting results.
