Thermadome

A far infrared sauna is a type of sauna that uses light to make heat. This type of sauna is sometimes called a far-infrared sauna. "Far" describes where the infrared waves fall on the light spectrum. A regular sauna uses heat to warm the air, which in turn warms your body. Thermadome uses all healing rays of the sun.

Thermadome (30 mins) - \$50 (BYO two large towels)

Thermadome (30 mins) - \$60 (Spa towels provided)
